# Director's Message

*Our education has to reach out to all. But more than anything it has to touch the hearts of the people through the noble profession of Paramedical. Hence academic excellence is not just sufficient it has to go beyond that to treat people as persons, to help them to achieve great height and to make them good citizens of tomorrow.*

*It is a special feeling for me to introduce the Magadh Paramedical & Nursing Institute prospectus. This Prospectus reflects the program and growth of our Institute.*

*I am glad that our Magadh Paramedical & Nursing Institute is focusing on the wholesome development of the human personality by inculcating values and by paying equal attention to the development of the body, mind and spirit.*

*With this goal in mind, the staff of Magadh Paramedical & Nursing Institute strives toward perfecting the minds of the students through an innovative values based curriculum inculcating in them the need to put others before them with the faith that it is good to do good to all.*

*I wish the team of students and staff the best and pray for success in all their endeavors*

## Secretary

Mrs. Ruby Kumari

*The most fundamental principle in medicine is love and care nursing is a noble profession and nursing are committed to love and care for suffering people, The continuing evolution of health care and technology opens new doors for paramedical education. It requires caring professionals who will excel in meeting the challenge of a rapidly changing health care scenario.*

## EDUCATION

## Executive Director

Mrs. Risha Pandey

*I am confident that Magadh Paramedical & Nursing Institute will continue to be a beacon of transformation, producing competent, compassionate, and socially responsible individuals.*

# Academic Curriculum

## Courses

*We offer a Bsc nursing, post Bsc nursing, GNM, that includes extensive lab work and practical training. Our curriculum emphasizes community engagement, encouraging students to participate in outreach activities such as conducting basic health check-ups and setting up stalls in villages to provide essential health services.*

## Clinical Posting

*Our Nursing program includes clinical postings and hospital duties, where students gain hands-on experience in real healthcare settings, working alongside professionals to care for patients and manage clinical tasks.*

## B.Sc Nursing

4 Years

*B.Sc. Nursing is undergraduate course in Nursing has been designed to completely train and qualify the students to deal with various aspects with utmost professionalism and care.*

## GNM

3 Years

*GNM (General Nursing & Midwifery) course is to prepare a qualified General Nurse who will function as member of a Health Team beginning with consultancies for first level position in both Hospital and community Health Services especially in Rural areas. The school prepares the students to develop an aptitude for nursing and to provide the required knowledge and skills to give comprehensive nursing care to patients of all types of illness.*

## Post Basic B.Sc Nursing

2 years

*Post Basic B.Sc. Nursing is an undergraduate nursing program that is designed for registered nurses (RNs) who have already completed a Diploma in General Nursing and Midwifery (GNM) or have a valid nursing registration. It is a bridge course that enables registered nurses to upgrade their qualifications to a bachelor's degree level.*

## Eligibility Criteria

*Candidate shall have passed 10+2 examination conducted by the respective state/central government authorities recognized as equivalent to 10+2 examination by the Association of Indian Universities (AIU) with English as one of the subjects and Physics, Chemistry, Biology (P.C.B) subjects.*

*The minimum age for admission shall be 17 years on 31st December of the year in which admission is sought.
